

LIST OF MEETINGS,
JUNE, 1937.

NOTE.

THIS list is issued with the desire that it may help in promoting fellowship among saints assembling in the name of the Lord.

Earnest requests have been made that letters of commendation should have the name and full address of the Room in which the person commended is meeting, as well as that to which they are going.

When it may be necessary for brothers in one gathering to communicate with others at a distance, and a brother's name is not known, a letter addressed to the distant gathering may be sent to the address given at the end of this note, and it will be forwarded.

Saints who desire to have fellowship in the expenses of printing and postage, may do so.

It is desired that all communications may be by letter not by postcard.

Applications for information as to meetings abroad, notices of alteration in addresses and times of meetings and addresses of brothers (which it is requested may be promptly notified), should be addressed to—

W. B. TURPIN,

9, Belmont Road,

SOUTHAMPTON.
