List of Gatherings.

N.B.—Places marked thus [*] denote individuals only.

NOTICE.

This "list of gatherings" (printed but not published) is issued with the desire to help those gathered to the Name of the Lord Jesus in intercourse and fellowship. It does not assume to have *authority*, but to give *information* that may be helpful to saints, and it is hoped that it will only be used by those for whom it is intended, and not on any account be allowed to get into the hands of those who would not use it for the Lord's glory.

Where notice of meetings follow immediately after the name of an individual it is to be presumed that the meetings are held at that individual's residence. Blanks have been left at the bottom of the pages, where practicable, so as to allow of corrections or additions being made.

We would take this opportunity to thank all those who have so kindly helped us by furnishing the required information from the different places, and also for the fellowship of the brethren in the cost of issuing the same.

Any additions or alterations should be sent to Hart & Son, 239 St. James Street, Montreal, Canada, so that by the addition of an addenda at any future time, changes that may occur in places of meeting, and names of brethren for reference, or any omission or error may be rectified.
